18: Pie the Pastor & Commander
25: Closing Celebration

Awana Theme Nights encourage a sense of belonging, establish a bit of fun, and some themes result in Clubber's earning Awana Bucks to spend at the Awana Store! Explanations of those nights are featured below.

Pastor Appreciation Night – Bring a card or note of appreciation for Pastor Mark. We will be presenting them to Pastor Mark after he speaks to us during Opening Ceremony.

Freckles Night – For every verse the children say this evening, they get to put a “freckle” (red circle sticker) on their leaders. The group that puts the most stickers on their leader wins!

Veteran's Day Night – wear something representing our military or first responders as we celebrate our freedom and honor those who keep us safe.

Messy Night – Dress as messy and untidy as you can! Let's see who can be the sloppiest as we learn about how our righteousness is as filthy rags.

Christmas Celebration – wear Christmas colors or dress as if you were going to Bethlehem to visit the Baby Jesus.

Animal Night – Bring your favorite stuffed animal to club or wear hats, shirts and shoes with animals on them.

Outer Space Night – We will be taking a peek at the night sky to see what's visible. Be sure to dress warmly!

Crazy Hair Night – How crazy can you make your hair?

Mission Night – dress up like your favorite country. We will be learning about a famous missionary and what it means to share God's Word far away and close to home.

John 3:15 Night – since it is March 16 we will have a special emphasis on the Gospel of Christ.

Roman Night – grab an old sheet and dress up in a toga. We will be learning about Paul and what he meant when he told the Roman Christians we should be living sacrifices.
