**Awana Theme Nights encourage a sense of belonging, establish a bit of fun, and some themes result in Clubber's earning Awana Bucks to spend at the Awana Store! Explanations of those nights are featured below.**

**Crazy Hair Night** – How crazy can you make your hair?

**Messy Night** – Dress as messy and untidy as you can! Let's see who can be the sloppiest as we learn about how our righteousness is as filthy rags.

**Can Food Night** – Bring can veggies, boxed potato flakes, or gravy to help support the Veteran's Thanksgiving Dinner!

**Veteran's Day Night** – wear something representing our military or first responders as we celebrate our freedom and honor those who keep us safe.

**Roman Night** – grab an old sheet and dress up in a toga. We will be learning about Paul and what he meant when he told the Roman Christians we should be living sacrifices.

**Missions Kick-off Night** – Kick-off for missions drive to support New Building to help reach the community!

**Christmas Celebration** – Wear Christmas colors or dress as if you were going to Bethlehem to visit the Baby Jesus.

**Animal Night** – Bring your favorite stuffed animal to club or wear hats, shirts and shoes with animals on them.

**Outer Space Night** – We will be taking a peek at the night sky to see what's visible. Be sure to dress warmly!

**Red & Pink Night** – Come wearing as much red and pink that you can find!

**Mission Night** – dress up like your favorite country. We will be learning about a famous missionary and what it means to share God's Word far away and close to home.

**John 3:15 Night** – Since it is March 13, we will have a special emphasis on the Gospel of Christ.

**Wildlife Night** – Dress up in your favorite wildlife animal.

**Secret Agent Night** – Come Dressed in a disguise (camouflage, hats, or animal costumes)

**Color Nights** – Support AWANA Clubs by dressing up in as much color for that night as you can (BLUE, RED, GREEN)!
